## Job Announcement

**Position:** Communication Expert

**Location:** Iringa, Tanzania (Main Office)

Flying Dream Co. Ltd is seeking a creative and highly presentable Communication Expert to lead and manage its communication function. The role requires a professional who can translate programs and institutional priorities into compelling visual and written content while representing the organization confidently in public and stakeholder forums. Women candidates are strongly encouraged to apply.

The successful candidate will be expected to work from the main office in Iringa and actively support both internal and external communication functions.

### Key Responsibilities

- Develop and implement effective communication strategies aligned with organizational objectives.
- Plan, prepare, and create engaging content including documentaries, videography, animation, and articles.
- Write and edit high-quality articles, scripts, stories, speeches, and other communication materials.
- Coordinate and support production of visual communication content (video, documentary, animation).
- Manage and update digital platforms including social media channels and the organization's website.
- Prepare communication materials for campaigns, projects, and events.
- Ensure consistent branding and messaging across all platforms and materials.
- Represent the organization in meetings, public events, and stakeholder engagements.
- Liaise with media, designers, and production teams where necessary to ensure quality outputs.

### Qualifications & Experience

- Bachelor's degree in Communications, Journalism, Public Relations, Media, Marketing, or a related field.
- Minimum of 2–4 years of experience in communications, media, or content production.
- Demonstrated experience in documentary production, videography, animation coordination, and article writing.
